

Education Success Story

New Jersey Direct Install

High Bridge Elementary School

40 Fairview Ave., High Bridge, NJ 08829

CMC Energy Services - New Jersey Direct Install (NJDI) created a better lit environment for this school resulting in a more productive staff and a safer environment for everyone. By participating in the NJ Clean Energy program the school is realizing an annual energy savings of approximately \$22,000 which they plan to use towards other improvements like a new roof.
